

Extended Warranty

AirStar, VacStar, STS, and Provecta products purchased in 2007 now include a 5-year limited extended warranty. This warranty is in combination with current standard warranties and provides coverage for a total of 5 years, not an additional 5 years. The warranty is limited and specific to each product and excludes normal maintenance items:

Product	Standard Warranty	Extended Warranty	Items Covered
AirStar	2 Years	3 Years	All motors, heads, and pistons
VacStar	2 Years	3 Years	All pumps, motors, and housings
STS	3 Years	2 Years	All pumps, motors, and housings
Provecta X-Ray	2 Years	3 Years	All tube heads and scissor arm assemblies

This warranty is also available on any compressor, vacuum, or x-ray purchased in 2006 for a retail charge of \$495, Part No. A0001. Dealer must provide the invoice number, serial number and product name for each piece of equipment on the Extended Warranty purchase order.

This warranty does not apply to damage due to shipping, misuse, careless handling or repairs by non-authorized service personnel. Dealer labor, shipping, and handling charges are not covered by this warranty. Warranty void if installed or serviced by other than authorized service personnel. Air Techniques, Inc. is not liable for indirect or consequential damage or loss of any nature in connection with this equipment.

This warranty is in lieu of all other warranties expressed or implied. No representative or person is authorized to assume for us any liability in connection with the sale of our equipment.
